RE: BUDDYBUGZZ 52 X 7' Pre-school CG animated series 4 – 6 year olds

LETTER OF INTEREST

Dear Aislí,

I am delighted to offer this letter of interest from RTÉjr to broadcast animated series BUDDYBUGZZ on our channel.

A series packed full of comedy, adventure, all wrapped up in a wonderful soundscape will be a fantastic addition to our slate and a really useful tool for our preschool audience to engage with and enjoy. Buddy and the rest of the Buddybugzz will help children to explore their thoughts, find calm and help them to navigate their problems and find solutions.

Buddybugzz is a beautifully imagined preschool series and an absolute visual feast. I am particularly excited about bringing it to screen for our audience. RTÉjr is committed to commissioning content that speaks to and engages a young audience and Buddybugzz will I know deliver this in spades.

Kind Regards,

Suzanne Kelly RTÉ
